As we take a final glance down these familiar halls, fond memories echo in our hearts, leaving us with lasting impressions. Bound within the covers of this yearbook is our attempt to convey and record these memories of 1961.

ADVERTISEMENTS

Financial backing is a necessity for any publication. Without these merchants, businessmen and women, the GOVERNOR would not be possible. These pages are not only for autographs, but serve as recognition to the people who have aided us. Because they have assisted us in the publication of this yearbook, we wish to extend to them our sincere gratitude and thanks.
